In Claim 12, line 11, please replace "may" with --to--.

Reasons for Allowance

3. The following is a statement of reasons for the indication of allowable subject matter: From the remarks filed 04/28/05, the examiner finds the arguments concerning claim 12 and those claims dependent on claim 12 to be persuasive (See Pages 14-16 of the remarks). Particularly, the Kanevsky reference (U.S. Patent 6,300,947), in the situation where a device is incapable of displaying all available content, employs a hyperlink when a content portion of lower priority does not fit with a content portion of higher priority. This is in contrast to the applicants' invention which does not employ a hyperlink to display the information as it only displays those portions that can be fully
